3. Exchanging requires a payment of NBL as the exchange fee, which varies by the quality of the starship. See the detailed table below.

### Exchange Fee

Medal	Amount of NBL
T1	160,000
T2	225,000
T3	360,000
T4	720,000
T5	1,120,000

4. The exchange period is 30 days, but it can be accelerated using NBL. The smallest acceleration unit is by the hour. See the detailed table below.

### Hourly Acceleration Fee

Medal	Amount of NBL
T1	900
T2	1,800
T3	3,600
T4	5,600
T5	7,500

5. Starships start at Level 0 and can be upgraded using NBL up to Level 3. The mining power in the third phase mining pool varies by the starship's level. Data follows below.

<b>Starship quality</b>	<b>Upgrade cost (NBL)</b>		
	<b>level1</b>	<b>level2</b>	<b>level3</b>
<b>T1</b>	<b>40000</b>	<b>60000</b>	<b>85000</b>
<b>T2</b>	<b>75000</b>	<b>100000</b>	<b>125000</b>
<b>T3</b>	<b>100000</b>	<b>150000</b>	<b>200000</b>
<b>T4</b>	<b>150000</b>	<b>200000</b>	<b>300000</b>
<b>T5</b>	<b>200000</b>	<b>300000</b>	<b>400000</b>
